

Clearcreek Fire District

Fire Protection and Paramedic Service

We Can't Help You if We Can't Find You!

Help Us Protect Your Dreams

The quicker our Firefighter / Paramedics can locate you, the quicker we can begin helping you and your family. In an effort to locate your home or business during an emergency, we are providing (at cost) a 6" by 18" reflective sign that will clearly display your street address. These signs are invaluable to Firefighter / Paramedics and the Police who may be looking for your home or business in your time of need.

The Clearcreek Fire District will also install these signs (Residents only) on your mailbox or other sign post for \$10.00 per sign. Each sign has your street address prominently displayed on both sides of the sign. These same signs have been installed in other communities with startling results. These signs are installed in a way which assures their visibility even with high grass or snow conditions.

Please fill out the order form below and return it to the Clearcreek Fire District, 925 South Main Street, Springboro, Ohio 45066. We will then process your request within two weeks.
