

Clearcreek Road Department

Monthly Report

July 2022

July, Road Crews continued repairing the sides of Red Lion Five Points Road between Bunnell Hill and Crossly Roads. Working in between rainstorms, crews milled out and replaced 98 tons of asphalt in June and July. The repairs spanned 1,600-ft and consisted of 16 patches. The striping crew begins work in August.

Additionally, crews cleaned out one problem culvert in Stone Ridge South. Road crews also removed a downed tree and brush from storm damage, hauling seven one-ton loads of debris.

Finally, crews repaired a sink hole in the new pavement in Stone Ridge North and still had time to haul dirt out of the park.
