Tip of the month: Beware of any unsolicited phone calls requesting payment for anything in the form of gift cards. We have had numerous reports of callers, claiming to be from a law enforcement agency, or a computer repair company, asking for large payments in retail gift cards. If you receive a call from anyone requesting payment in the form of gift cards, do not arrange payment and do document the phone call. As always, you may contact an officer about any incident you wish to discuss.
