

Clearcreek Road Department

Monthly Report

August 2024

Strawser Construction arrived on August 1st to Cape Seal North Stone Ridge, Old State Route 123, and Willow Oak Court. They also Micro Sealed in the Villages of Winding Creek north of Linden Brook Drive.

The crew repaved around the catch basins behind the government center before seal coating in September.

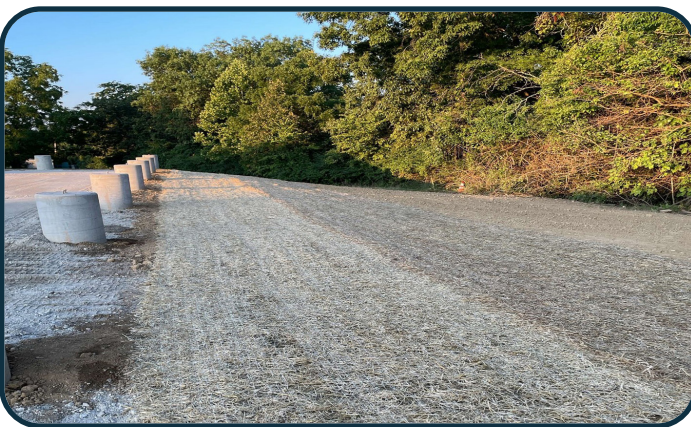

Road Crews changed a 36" culvert pipe on Red Lion Five Points Road between Crossly Road and Bunnell Hill Road.

Crews hauled dirt from the Fire District Station 24 construction site to Patricia Allyn Park for a project in the third week of August.

With help from the Parks Department, crews laid 1,200 feet of straw mat around the salt bin.

Ending the month, crews hauled 195 tons of gravel for a final regrade on the salt bin and driveway before paving, which is scheduled for September 2nd.
