

CLEARCREEK FIRE DISTRICT

Monthly Report

January 2025

Above Beyond

At the January 13, 2025, Clearcreek Township Trustees Meeting, three firefighters took the Oath of Office in acceptance of their promotions to Lieutenant. The internal hiring process, which took place in 2025, was exceptionally competitive with all participants scoring closely on all metrics. We are honored to have each of the participants in our workforce. Our new Lieutenants will transition into their positions in February in preparation for the opening of Station 24. Congratulations to: Brian Lykins, Eric Moncrief, and Todd Wilson.

Following the Lieutenants in taking the Oath of Office, five firefighters officially joined our team with the Swearing-In Ceremony at the January 13th meeting. A special welcome to our newly hired firefighters, William Black, Todd Bramlee, Jonathon Patterson, Richard Scott, and Ryan Yates. We are extremely excited to have these gentlemen join our team. Welcome!

Special thanks to Lieutenant Lalich, Firefighter Bolek, and Firefighter Whitney for sorting and distributing new uniform shirts to all Fire District Personnel.

Congratulations to Assistant Chief Buehler for his article on Wellness Programs getting published in In Command magazine. Excellent work!

Kudos to all of our EMS providers, Clearcreek and Springboro Police Officers, Warren County Dispatchers, and our community for their extraordinary dedication to emergency response. Our 2025 Cardiac Arrest Registry to Enhance Survival (CARES) results are nothing short of remarkable! We not only achieved outstanding results, but our results rank well above the national average, as reported by CARES in 2023. We are immensely proud to work with such amazing people. We also extend a special "thank you" to Lieutenant Naveed Khan for his consistent dedication to the CARES program.

Congratulations to Firefighter James Whitney on achieving the best time during the January PPE donning competency with a time of 1 minute, 12 seconds. Nice job, James!
