Community Events and Outreach

The 15th annual National Night Out in 2018 – a crime prevention and drug awareness program was again a successful community outreach event for Clearcreek Township. Approximately 2,000 township residents and guests attended even though we experienced heavy rain earlier in the day. On August 7th the community gathered at the park to take a stand against crime and celebrate with the men and women of the Clearcreek Township Police Department. Families walked the grounds of Patricia Allyn Park together as they visited various display booths and demonstrations put on by the Police Division, the Fire District and our area partners; including the Ohio State Highway Patrol, the Warren County Sheriff's Office, the Warren County Prosecutor's Office and many other agencies that provide services to Warren County. Guests enjoyed the opportunity to meet and mingle with officers, and enjoy a hamburger or hot dog. The children enjoyed the numerous activities and safety stations that included a bike rodeo, our seat belt safety train, a child identification booth and our "Safety Town Village". The event was again coordinated by Officer Nicole Cordero under the direct supervision of Chief John Terrill. Officer Cordero has been planning this event for several years now and her efforts are greatly appreciated. There were many positive comments from participants and visitors. This is an event we all look forward to each year!

C.A.L.E.A. Accreditation Update

In August 2018 Clearcreek Township went through its second annual CALEA compliance check. CALEA Compliance Services Member Marc Duguay remotely reviewed 80 standards for the agency using The Law Enforcement Manual . These standards included specific time-sensitive issues, as well as all standards applicable to the agency by size and function. After reviewing the required standards, the compliance specialist found that all proof files were in order and proved continued compliance with the standards reviewed. More information about the Commission on Accreditation for Law Enforcement Agencies (CALEA) may be found at CALEA.org

In 2018 Clearcreek Township Police continued participation with the Ohio Collaborative Community-Police Advisory Board. We were able to file proofs of compliance with Collaborative standards and maintained our State Certification. More information about the Ohio Collaborative can be found at www.ocjs.ohio.gov/ohiocollaborative.

State Certification through the Collaborative and international accreditation through CALEA are evidence of the township's commitment to providing professional policing, that exceeds industry standards, to the citizens who live and work in Clearcreek Township.

Police Department—Personnel Training

One of the goals of the Clearcreek Township Division of Police is to have well trained and professional Police Officers. In 2018 Officers made progress toward that goal. Officers are encouraged to take part in training through the Ohio Peace Officer Training Commission, local Law Enforcement Training Institutes as well as training offered through the Warren County Joint Training Team and in house training.
