We have been given the honor and privilege of enforcing the law. We must always exercise integrity in the use of power and authority that have been given to us by the people. Our personal and professional behavior should be a model for all to follow. We will obey and support the letter and spirit of the law.

### Professionalism and Dedication:

We are proud of the trust in which the public places in us individually, as a Department, and in our profession. We are committed to the development and maintenance of an organization of well trained, professional employees dedicated to public service and protection of the people of Clearcreek Township, as incorporated by community oriented policing and problem - solving.

### Sense of Urgency:

We will undertake every task expediently, with thoroughness and concern.

### Team Orientation:

We will work together for the betterment of the whole. Back each other up on the street. Be loyal to our Department and considerate of peers, superiors, and subordinates.

### Officer Safety Concerns:

We will maintain the high degree of awareness necessary to survive each day throughout a career as an Ohio commissioned peace officer appointed to serve the citizens of Clearcreek Township.

2019 was another successful year for the Police Department. We continue to strive to provide quality service to the people of Clearcreek Township. We continue to strive to be active members of our community and reach out to our citizens to offer traditional and non-traditional police services to improve their quality of life. Unfortunately, in the midst of our successes, for the second straight year, our officers and families dealt with the tragic loss of one of our own. The death of Officer Jerrid Lee at the hands of an impaired driver was a difficult reminder of how fragile life is and the importance of the work that we do. He will be missed.

# Community Events and Outreach

The 16<sup>th</sup> annual National Night Out in 2019 – a crime prevention and drug awareness program was a successful community outreach event for Clearcreek Township. Approximately 2,000 township residents and guests attended even though we experienced heavy rain earlier in the day. On August 6<sup>th</sup> the community gathered at the park to take a stand against crime and celebrate with the men and women of the Clearcreek Township Police Department. Families walked the grounds of Patricia Allyn Park together as they visited various display booths and demonstrations put on by the Police Division, the Fire District and our area partners; including the Ohio State Highway Patrol, the Warren County Sheriff's Office, the Warren County Prosecutor's Office and many other agencies that provide services to Warren County. Guests enjoyed the opportunity to meet and mingle with Officers, and enjoy a hamburger or hot dog. The children enjoyed the numerous activities and safety stations that included a bike rodeo, our seat belt safety train, a child identification booth and our "Safety Town Village". The event was again coordinated by Officer Nicole Cordero under the direct supervision of Chief John Terrill. This is an event we all look forward to each year!

Accreditation Update 2019

In July 2010 the Clearcreek Township Division of Police was awarded its initial accreditation by the Commission on Accreditation for Law Enforcement Agencies (CALEA). The agency was awarded Reaccreditation in 2013 and 2016. In between on-site assessments, the agency maintained compliance with CALEA standards and filed an annual report with CALEA attesting to continued compliance.

After the 2016 Reaccreditation process, CALEA revised the process and began annual compliance checks with an on-site assessment every four years. Sgt. Stacy, with assistance from Officers Bates, assembled proof files for the 481 standards on which the Police Department was evaluated. The agency successfully completed annual compliance checks in 2017, 2018 and again in 2019. There will be one more annual compliance check in February 2020 with the Site-Based Assessment scheduled in April 2020.

CALEA accreditation represents Clearcreek Township’s commitment to professional excellence as the CALEA standards require that we adhere to accepted best practices in Law Enforcement policy and procedures. The following statistics provided by the Bureau of Justice Statistics and CALEA are particularly noteworthy. There are just over 20,000 Law Enforcement agencies in the United States. Of these agencies, 834 are accredited (about 4%). Of those accredited agencies, 44 (.2%) are small “A” sized agencies. Clearcreek Township is an “A” sized agency. In the State of Ohio there are 63 accredited agencies, of which only 6 are “A” sized. This commitment to professional excellence is evidenced in the way our Officers protect and serve our citizens every day. More information on CALEA Accreditation can be found at [CALEA.org](http://CALEA.org)

During 2019 Clearcreek Township continued to maintain state certification through the Ohio Collaborative, as well. The Collaborative continues to grow and add standards for agencies within the State of Ohio. More information on the Ohio Collaborative can be found at [www.ocjs.ohio.gov/ohiocollaborative](http://www.ocjs.ohio.gov/ohiocollaborative).

*In memory of  
Officer Jerrid Lee  
EOW 1/28/19*

In his personal life, Jerrid was a loving husband and father of two small children.

Jerrid spent his policing time with Clearcreek Township by “getting in the way” of impaired drivers hurting individuals within our community. Jerrid gave his life doing the same thing. By “getting in the way” and by the giving of his life. He most certainly protected the life or lives of others in another community that night and to me that will always be his legacy.—Chief John Terrill

# Police Department—Personnel Training

One of the goals of the Clearcreek Township Division of Police is to have well trained and professional Police Officers. In 2019 Officers made progress toward that goal. Officers are encouraged to take part in training through the Ohio Peace Officer Training Commission, local Law Enforcement Training Institutes as well as training offered through the Warren County Joint Training Team and in house training. Chief Terrill believes that it is important for all Officers to continue their career training, to enlarge their base of knowledge and skills, so that they may better serve the citizens of Clearcreek Township.
