

CLEARCREEK FIRE DISTRICT

Monthly Report

February 2023

Tip of the HELMET

Above and BEYOND

School Board Member Lisa Babb thanks Lieutenant Sargent and Firefighters Wilson, Klems, and Moncrief for their response and dedication to Springboro High School during a flooding event caused by burst pipes. Excellent work, gentlemen!

The Beck family thanks Firefighters Stevens, Shewbridge, and Waters for their assistance and expertise during an emergency. Fantastic job, gentlemen!

Kudos to Lieutenant Scott for undertaking the research to upgrade and replace our turnout gear. This PPE is essential to firefighters, and we appreciate your efforts in keeping our family safe. Thank you!

Thank you to Lieutenant Lalich for overseeing the AED maintenance for all Township Departments and the City of Springboro.

Every year, our first responders participate in Ice Rescue Training. This year, Firefighters Biel, Buchholz, Lindon, and Holbrook took their training up a notch by attending an Ice Rescue Trainer class in Hartland, MI. This three-day class included lectures, practical evolutions on the ice, and presentations given by each student. The class culminated in a written test and an exit interview. Our firefighters and 16 other first responders from Michigan, Illinois, Indiana, and Wisconsin passed the course to become Certified Ice Rescue Trainers. We look forward to seeing these gentlemen show us what they learned in our annual training.

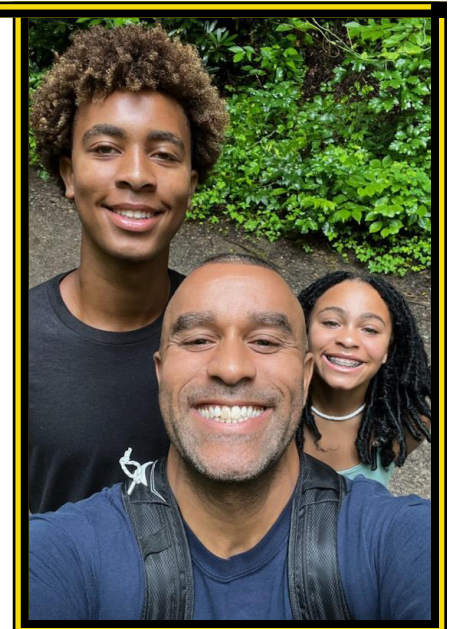

Meet your RESCUER

Meet Firefighter/Paramedic Eric Moncrief, who joined our family in 2021. Eric earned his Fire and EMT certifications from Butler Tech and his Paramedic certification from the University of Cincinnati. Additionally, Eric has a Bachelor of Science in Business Administration and is a certified Fire Instructor. He is active in our school outreach programs, coordinating our Reading Program with Clearcreek Elementary, developing Stop the Bleed, beginning in April, and a Fall Prevention Program that starts later this year. Eric works out of Station 21, is assigned to Unit 1, and brings experience from Forest Park.

Eric lives in Centerville and has a son, Christian, and a daughter, Sydney. The family spends most of their free time at soccer events. When not supporting his kids' games, Eric likes cooking, working out, spending time with his family, and taking an annual hiking and boating trip to Gatlinburg.
