

CLEARCREEK TOWNSHIP SAFETY TOWN

INTRODUCTION

Congratulations on becoming a part of our Safety Town program. Without you, we cannot operate a successful program. We know you will be sacrificing many hours rather than swimming or doing other fun activities this summer and we are thankful you have volunteered for this program. We hope Safety Town will be one of the most interesting, challenging, educational, and fun experiences in your life. Through your efforts, know that you will teach children safety topics that could help save lives and prevent accidents in their future. Good luck and have fun!

Thank you,

Sergeant Nicole Cordero – Clearcreek Township Police Department

Officer Jason Schrage – Clearcreek Township Police Department

Officer Aaron Nicley – Springboro Police Department

Officer Jason Huelsman – Springboro Police Department

CLEARCREEK TOWNSHIP SAFETY TOWN OVERVIEW

As volunteers you are expected to fulfill a worthwhile and responsible position to make Safety Town a success and beneficial to the children. Your duties as a Safety Town volunteer include the following:

1. On the first day of class the volunteers need to pass out t-shirts and name tags to each of the students according to which color group they are assigned.
2. As the children arrive at the beginning of class each day, they will receive a new name tag to be passed out to them. Most of the children will need assistance with getting the t-shirts and name tags on.
3. Two volunteers are needed at the sign in/sign out registration table at the beginning and the end of each class. The registration table will be located outside the gym doors. The volunteers will need to confirm the designated pick up person's identification card (driver's license) matches with the sign in/out list for **PICK UP ONLY**. It is not necessary to confirm identification at drop off.
4. Please make sure the parents stay outside the gym at **PICK UP** for safety reasons. One volunteer will be responsible for sign out while the other volunteer will be responsible for retrieving the child from the gym and taking them to the designated pick up person.
5. During Safety Town make sure the children are with you at all times. No running anywhere! (including in the gym).
6. DO NOT push the children when they are on the pedal cars.
7. Explain the safety rules and teach them the traffic rules while walking them around the mat.
8. Monday and Tuesday, volunteers will address traffic violations with a warning while students are still learning the traffic rules. When addressing the violation please pull the student off the mat and explain what the violation is and show them how to do it correctly.
9. Wednesday – Friday traffic citations will be given to students by the volunteers. After 2 traffic citations the student will need to be removed from the mat until mat time is completed. If students are driving erratic and not listening to directions, please notify an officer so we can address the issue.
10. Keep groups together when changing from classroom to the gym. Wait until the other group is finished before entering the room.
11. If a student needs to use the restroom other than during the restroom breaks, please notify an officer before taking them to the restroom.
12. At the end of class, seat the children on the bleachers until their name is called to be picked up by the designated pick-up person.

CLEARCREEK TOWNSHIP SAFETY TOWN VOLUNTEER RULES

1. You will be provided with a T-shirt to match your group. Please dress appropriately and similar to school dress code. For example: no ripped shorts, low cut shorts. Tennis shoes are preferred since we will be doing a lot of walking and you will be risking your toes getting run over by pedal cars.
2. The session times are 8-10 am 11-1 pm and 2-4 pm. Please arrive 15 min prior to the start of each session. If you are ill or unable to attend due to an emergency please text me so I can arrange for another volunteer to take your place in your absence. (937)603-7440.
3. At the end of each class please touch base with an officer to let them know you are leaving.
4. The school must be kept clean to ensure continued use for our Safety Town. Please make sure the floors are cleaned up of any trash, pick up any messes left in the bathroom, wipe tables and any spills, and clean up work areas.
5. Please do not use cell phones during class sessions.
6. Avoid gathering in groups with other volunteers as this will distract you from watching over your students.
